

**Resolution from the Minnesota Valley Chapter
to the 2019
Minnesota Izaak Walton League Annual Meeting**

Title: Making Certain Old Resolutions Inactive

Whereas, The Minnesota Izaak Walton League has been approving and adopting resolutions to establish policy since the organization's founding in 1924, and;

Whereas, there has not been a formal process to review those resolutions for consistency with current MNIWL policy preferences; and,

Whereas, there has been no formal and structured process to address possible inconsistency between different resolutions; and,

Whereas, it is highly likely a close review of all existing policy statements would identify inconsistencies between existing policy statements and contain policy statements not supported by the current MNIWL members; and,

Whereas, by adopting this resolution, any member of the MNIWL can present a resolution at the 2020 or at any subsequent annual meeting readopting any resolution/policy statement that becomes inactive as a result of this resolution.

Therefore be it resolved, that the Minnesota Division of the Izaak Walton League of America in Convention on April 27th, 2019 identify as inactive, all resolutions/policy statements adopted prior to the 2010 MNIWL Annual Meeting effective upon adjournment of the 2020 Minnesota Izaak Walton League Annual Meeting. An inactive policy may not be referenced as current Minnesota Izaak Walton League policy.

Be it further resolved, that the Minnesota Izaak Walton League maintain, in an archive, all resolutions that are designated as inactive by this resolution or repealed by any future MNIWL actions; and,
Be it further resolved, any inactive resolution may be returned to active status by resolution at any future annual meeting.
